Re: Response to Deficiency Letter, H&H Stone, Holley Project, S/037/117, San Juan County, Utah, Utah

Dear Ms. Holley:

I received your voice message left with Earlene Russell on March 27, 2003, and a copy of your March 28 letter. (I've tried several times to return your call, but the line has been busy.) Although your letter provides most of the information we need, we prefer to have one complete notice of intention rather than a deficient notice followed by a letter providing the balance of the information. Therefore, I request that, once you have complete information available, you provide a complete copy of the notice of intention.
